Love: Share a powerful image that conveys, represents or captures the essence of LOVE.

Break the rule of 3rds: Just remember every shot will not work with this broken rule. Use a very critical eye try using symmetry or a center composition.

Eyes: Your welcome to take the theme in any direction that you like. The eyes might be yours, a friends or family members, an animals or something a little more abstract.

Tell me a story: Capture a scene that conveys hints of mystery and possibility of an interesting story.
